STARTUP COACHING

Our start-up business coaches and consultants, all experienced entrepreneurs, work one-on-one with you, to bring you from concept, or idea, to open for business!

We will help you plan, learn to problem-solve and overcome obstacles that pop up along the way.

MANAGEMENT COACHING

Ever wish you had an experienced business person to help you think about your business, answer questions, and keep you accountable for goals you set?

Our one-on-one business management coaching helps new and established ventures overcome growth obstacles, develop strategies, identify new income opportunities and stay focused on success!

MONTHLY ROUNDABLES

Our entrepreneur roundables are group video chats that allow you to connect with rural entrepreneurs from across the country to 'talk shop'. Each roundtable is facilitated by a trained staff member to maintain productivity and stay on topic.

Learn about tools, resources, strategies and build your professional network!
